

Hope the Million Flamechess is coming soon.

From Flaming Mountains Junior Chess Team

**Introduction:**

This game is designed for parents, to learn the two mind games ( sudoku & chess ), play with their kids and enjoy happiness, then share it to others, kids, parents, ...

**Specially:**

The chess play with dice is called flamechess.  
The sudoku making by themself is called flamedoku.

**Important:**

Parents learning the game by phone or pad first, then DIY the chessset and sudoku board to play with the kids.

**Pls. Leave your kids outof the hardware.**

the hardware can't instead your care and love.  
your kids need your time to share with them.  
It's happiness time with you do anything.

**Contact us to get gifts:**

Our team have lots of flamechess  
DIY Materials, can send to you as gift.  
Our team just in your community,  
school, kidgarden...
